DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on January 20, 2004 has been entered.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter, which the applicant regards as his invention.

Claims 1-5 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. With regard to claim 1, the claim fails to positively recite any structure necessary to carry out the functional recitations (lines 12-14, 18-21) within the claims. For example the only structure positively recited within the claim is that of the moveable member, first and second spaced rollers and sensor arrangement.

With regard to claim 3, there is no antecedent basis for the term, "the laterally rigid frame", Examiner suggests, --a laterally rigid frame--

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1-5, 11-13 and 15-18 are rejected under 35 U.S.C. 102(b) as being anticipated by Anderson et al. (H1,819). Claims 1-5 as best understood, are rejected as noted in the previous Office.

Allowable Subject Matter

Claims 6, 8-13 and 15-19 are allowed.
